COVID-19 vaccines are effective at keeping you from getting the virus no matter your race, ethnicity or gender identity. One or more of the following vaccines will be available at your local Community Vaccination Centers:

Moderna

Number of injections: 2 (four weeks/28 days apart)
How it's given: Shot in the muscle of the upper arm

- • • •
- • • •

Pfizer-BioNTech

Number of injections: 2 (three weeks/21 days apart)
How it's given: Shot in the muscle of the upper arm

- • • •
